

WCBA'S CONNECTING THE DOTS:

Keiki O Ka 'Āina

Family Learning Centers

Presented by Krystal Perry

MIECHV Intake, Recruitment, and Retention Specialist

- Home visits to support parent and child interaction.
- Materials and activities that promote growth and development, including books to build a home library.
- Two generation screening to support healthy development.
- Monthly gatherings that provide an opportunity to connect with other parents though age and developmentally appropriate activities, cultural practices, and promote a positive parenting environment.
- Connections to other community resources for additional support.
